## COVID-19 Update

**PIKE COUNTY, PA** – The Pike County Commissioners and Department of Public Safety participated in a conference call this morning with Pennsylvania Secretary of Health Dr. Rachel Levine and other state officials regarding guidance on the 2019 novel coronavirus (COVID-19).

COVID-19 is a new virus that causes respiratory illness in people and can spread from person-to-person. This virus was first identified during an investigation into an outbreak in Wuhan, China.

Dr. Levine reported that to date there are no confirmed cases of COVID-19 in Pennsylvania. She said the state is following Federal Center for Disease Control (CDC) guidance.
